The Obituary

Troy Matthew's Dingus was born September 26, 1967 in Columbus Ohio, to the union of Tharman & Mary Dingus. Troy and his family moved to Highland Park, MI in 1969.

Troy received his formal education within the Highland Park School District. Immediately after high school Troy enlisted in the U.S. Army. Troy enjoyed being self-employed, creating his own hours. Troy took pride in his in-home construction and auto detailing businesses.

Troy left a lasting impression on everyone he met. He always had a smile of his face and a joke on his lips. Troy enjoyed every opportunity when he could to invite family and friends over for a nice BBQ.

Troy made his transition on November 21, 2018 after a long battle with cancer. Refusing to let anyone believe that he had succumbed to his illness, his spirit remained high. Troy endured rounds of chemo, radiation, brain surgery, and biopsies. Troy took his final breath in his home surrounded by his love ones.

Troy leaves to cherish his memory: two loving daughters Tameisha Dingus and Tenica Gilmer, four loyal sons Brandon Williams, Anthony Carson, Terrell, and Trammell Anderson, five beautiful grandchildren, four dedicated brothers, one devoted sister, one aunt, five nieces, six nephews, eight great-nephews, three great-nieces, and a host of cousins and friends.

Troy was preceded in death by his parents, son, brother, and nephew.
